The above results have been reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on 28th June, 2021. The statutory auditors of the company have audited the Standalone and consolidated financial results for the Quarter and year ended 31st March 2021 as required under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The outbreak of COVID 19 pandemic globally and in India has caused significant disturbance and slowdown of economic activity. However the same has no matrial impact on company and its associate operations.

The company and its associate operate in one segment, hence no segment reporting is provided. The figures of the quarter ended March 31, 2021 and March 31, 2020 are the balancing figure between the audited figures in respect of the full

financial year and the published unaudited year-to-date figures up to the third quarter of the relevant financial year. Figures for the previous periods have been regrouped/reclassified wherever necessary, to conform to current period's classification.
